## **Is it Possible To Be An Animal Lover And Eat Meat?**

In Dr. Melanie Joy's book "Why we love dogs, eat pigs and wear cows," she discusses the meat paradox and "carnism," the belief system that allows society to eat and use the products of certain animals but not others. It is because of carnism that we can pat our dogs while eating pigs and wearing cows. From birth, this belief system is taught through both culture and those around us.

## **Ingrid Newkirk**

Ingrid Newkirk. Newkirk and PETA have also been criticized for euthanizing many of the animals taken into PETA's shelters, and PETA has responded to this line of criticism. PETA has been on the news in the southern part of India for Banning of Jallikattu sport which is a cultural symbol of Tamils for thousands of years.

I believe people want to make a change but they struggle with HOW to do it. Emphasizing the fact that being vegan is a means to an end rather than an end in itself, I address all aspects of living healthfully and compassionately, including zero-waste, food, cooking, nutrition, ethics, animals, family dynamics, food politics, and social psychology.

## **The Compassionate Cook**

There is a lot of debate regarding whether vegans should eat anything resembling meat... but that argument is made invalid by the fact that most people don't go vegan/vegetarian because they hate the taste of meat..more-so for their health, or ethical reasons in regards to the slaughter of animals.
